Your use of our Site means that you accept, and agree to abide by, all the policies in this acceptable use policy, which supplement our terms of website use above.

www.tayto.com is a website operated by Tayto Group Limited on behalf of itself and other companies within the Tayto group ("Tayto"). Tayto Group Limited is registered in England and Wales under company number 06622104 and our registered office is at Princewood Road, Earlstrees Industrial Estate, Corby, Northamptonshire NN17 4AP.

In any way that breaches any applicable local, national or international law or regulation.

In any way that is unlawful or fraudulent, or has any unlawful or fraudulent purpose or effect.

Interactive services

Interactive services

We may from time to time provide interactive services on our Site. Where we do provide any interactive service, we will provide clear information to you about the kind of service offered, if it is moderated and what form of moderation is used (including whether it is human or technical).

We will do our best to assess any possible risks for users (and in particular, for children) from third parties when they use any interactive service provided on our Site, and we will decide in each case whether it is appropriate to use moderation of the relevant service (including what kind of moderation to use) in the light of those risks. However, we are under no obligation to oversee, monitor or moderate any interactive service we provide on our Site, and we expressly exclude our liability for any loss or damage arising from the use of any interactive service by a user in contravention of our content standards, whether the service is moderated or not.

The use of any of our interactive services by a minor is subject to the consent of their parent or guardian. We advise parents who permit their children to use an interactive service that it is important that they communicate with their children about their safety online, as moderation is not foolproof. Minors who are using any interactive service should be made aware of the potential risks to them.

Where we do moderate an interactive service, we will normally provide you with a means of contacting the moderator, should a concern or difficulty arise.

Content standards

These content standards apply to any and all material which you contribute to our Site (“contributions”), and to any interactive services associated with it.
